"The Great Dance" is astonishing vision of human life and the mystery of its intersection with the life of the Triune God. Dr. Kruger charts a course from the Trinity to the incarnation to the union of humanity with God in Jesus Christ. In that light he offers a breathtaking interpretation of our human existence as participation in the life of the Father, Son and Spirit. He uncovers the untold dignity of our ordinary humanity--from motherhood to baseball, from relationships and music to golf, gardening and designing lakes. This is a book about who we are and why we are here and what is really happening in our lives. Step by step, Dr. Kruger walks us through the stratagems of evil and the messes we make of our lives. More important, he explains why we hurt, what we are really after and how to get there, and why faith in Jesus Christ is so critical for abundant life. "The Great Dance" is theology at its very best--steeped in tradition, yet unfamiliar and exciting, even revolutionary; deeply personal and honest, yet universally relevant.
